Commitment to Diversity:
Vendor Guidance
V.24.4**

What is Commitment to Diversity?

Created by a first-of-its-kind legislation, the Commitment to Diversity (C2D) evaluation factor added to the Request for Proposal (RFP) procurement process offers the CPO for General Services and the state the opportunity to further impact Diversity, Equity, and Inclusion (DEI) through state procurement. Utilizing five nationally recognized evaluation criteria, the C2D evaluation, equivalent to 20% of the solicitation's technical score, encourages vendors to increase their investment in Women, Minorities, and Persons with Disabilities (WMD) businesses and organizations. The new evaluation factor creates new and exciting opportunities for offerors to impact their business and local community and help create systemic change.
