

CHIEF PROCUREMENT OFFICE
Matt Brown, General Services

October 31, 2014

Honorable Patrick Quinn
Honorable Members of the Illinois General Assembly

Dear Honorable Governor and Members of the General Assembly:

Public Act 97-895 (Senate Bill 2958) was signed into law on August 3, 2012. As part of that legislation, artistic or musical services, performances, or theatrical productions held at venues operated or leased by State agencies are exempted from the Procurement Code. This provision is scheduled to sunset on December 31, 2016.

State agencies are required to publish in the Illinois Procurement Bulletin notice of each contract entered into under this section of the Code within 14 days after contract execution. Each state agency is also required to provide the Chief Procurement Officer, on a monthly basis, a report of contracts entered into under this section of the Code.

The legislation requires the Chief Procurement Officer to submit a report to the Governor and General Assembly by no later than November 1 of each year that includes a yearly summary of the monthly information reported to the Chief Procurement Officer.

Attached is a summary of the monthly information reported to my office by the Illinois Department of Agriculture (AGR), a state agency which utilized this exception to the Illinois Procurement Code. Illinois Historic Preservation Agency utilized this exception in Fiscal Year 13, but did not do so in Fiscal Year 2014.

Please advise with any questions or if I can be of further assistance.

Matt Brown
Chief Procurement Officer General Services
