This Amendment to CPO Notice 2022.01 is effective immediately. This notice amends CPO Notice 2022.01 by replacing Public Act "102-0069" with the correct citation of Public Act 102-0029. The rest of CPO Notice 2022.01 remains in full force and effect.

Public Act ~~102-0069~~ 102-0029 amends Section 7(3) of the Business Enterprise for Minorities, Women, and Persons with Disabilities Act (BEP Act) (30 ILCS 575/) providing that where a particular contract requires a contractor to meet a goal established pursuant to the BEP Act, the contractor shall have the right to request a waiver from such requirements *prior to the contract award*. The Business Enterprise Program Council (Council) shall grant the waiver when the contractor demonstrates that there has been made a good faith effort to comply with the goals for participation by businesses owned by minorities, women, and persons with disabilities.

Section 7(5) of the BEP Act requires each chief procurement officer to maintain on his or her official website a searchable database of the following: (1) waivers granted under Section 7; (2) an agency's written request for an exemption of an individual contract or an entire class of contracts; and (3) and the Council's written determination, which has been delegated to the Business Enterprise Program, granting or denying a request for an exemption of an individual contract or an entire class of contracts.

Within seven (7) calendar days of award of a contract, agencies shall provide to the Chief Procurement Officer for General Services any waivers, written requests for exemption, and determinations described in Section 7 of the BEP Act. Agencies shall email the documentation to Diana Siegrist at [Diana.Siegrist@illinois.gov](mailto:Diana.Siegrist@illinois.gov).
