Notice 2021.04 General Services

To: Agency Procurement Staff
Central Management Services Bureau of Strategic Sourcing
State Purchasing Officers

From: Ellen H. Daley 

Date: February 11, 2021

Subject: Small Business Contracting Mid-Year

CC: Procurement Compliance Monitors
Procurement Policy Board

Section 45-90 of the Illinois Procurement Code establishes a goal that not less than 10% of the total dollar amount of State contracts are awarded as a contract or subcontract to small businesses. Each State agency files with the Chief Procurement Office for General Services (CPO-GS) an annual compliance plan, mid-year compliance plan, and final report outlining their success in reaching the goal.

Each agency shall complete and return its mid-year compliance plan to its State Purchasing Officer by close of business on **February 26, 2021**. Andrew Shackelford, CPO-GS Small Business Specialist, will notify each agency by March 5, 2021 if their plan is approved or rejected. If rejected, the reason will be provided.

Accompanying this notice are agency-specific contracts with small businesses qualified in the Small Business Set-Aside Program (SBSP). Agencies need to review each contract, determine if it was procured as a small business set-aside, and complete a mid-year compliance plan. A template ("FY21 Small Business Contracting Mid-Year Compliance Plan") is provided that may be used to satisfy the reporting requirement. Andrew Shackelford will conduct two webinars providing step-by-step guidance to complete the mid-year compliance plan.
