This notice rescinds CPO Notice 2019.04 on June 1, 2021. As of June 1, agencies are no longer required to purchase items from Illinois Correctional Industries (ICI).

Pursuant to the authority granted in Section 45-30 of the Illinois Procurement Code, the Chief Procurement Officer for General Services (CPO), in consultation with ICI, determines what supplies or services provided by ICI must be purchased by State agencies under the CPO's jurisdiction.

Beginning July 1, 2021, ICI will no longer sell supplies or services to any agency except the Illinois Department of Corrections. The Illinois Department of Corrections (IDOC), which operates ICI, is changing ICI's business model to better align the program's vocational and educational opportunities with IDOC's long-term strategy.

ICI requests that all new orders be placed by June 1, 2021 so that orders may be processed and delivered. Please note that some items may no longer be available or are available in limited quantities. If you have any questions regarding already placed orders or quantities available, please contact ICI at (217) 735-6026 or (800) 634-0213.

If there are questions regarding this notice, please contact your State Purchasing Officer or the Chief Procurement Office at (217) 970-0175.
