

# CHIEF PROCUREMENT OFFICE

Ellen H. Daley, General Services

## Memorandum

**To:** State Purchasing Officers  
**From:** Ellen H. Daley   
**CC:** Procurement Policy Board  
Commission on Equity and Inclusion  
**Date:** 2/23/2023  
**Subject:** Illinois Procurement Gateway and Standard Illinois Certifications

The certifications from the Illinois Procurement Gateway combined with the certifications found on the IPG Active Registered Vendor Disclosure (formerly named Forms B) also constitute the Standard Illinois Certifications.

Section 50-90 of the Procurement Code requires that Standard Illinois Certifications accompany all contracts with an annual value that exceeds \$50,000. Section 20-20(d) requires that Standard Illinois Certifications accompany all small purchases with an annual value that exceeds \$50,000.

In CPO Notice 2023.05, I also prescribed certifications that constitute the Standard Illinois Certifications. Those Standard Illinois Certifications may be found in the Vendor Disclosure (formerly named Forms A).
