

CHIEF PROCUREMENT OFFICE

Ellen H. Daley, General Services

Notice 2018.07 General Services

To: Agency Procurement Staff
Central Management Services Bureau of Strategic Sourcing
State Purchasing Officers

From: Ellen H. Daley 

Date: March 15, 2018

Subject: BidBuy Go Live Bundle II

CC: Procurement Compliance Monitors
Procurement Policy Board

The Chief Procurement Office for General Services is pleased to announce that the following 15 agencies go "Live" tomorrow with BidBuy. This is a significant milestone as nearly all agencies, boards, and commissions will now be using BidBuy. This also represents the tremendous effort and dedication that the BidBuy Team, agency trainers, and agency end users have put forward. I applaud your accomplishment!

For the agencies that go Live tomorrow, BidBuy replaces the use of Remedy PBC for documentation and approval of the procurement, and the Illinois Procurement Bulletin at www.purchase.state.il.us for publication of solicitations and notice of contract awards.

Effective March 16, 2018, the following agencies shall use BidBuy to conduct all procurement transactions conducted subject to the Procurement Code and valued at \$2,000 and greater. If a procurement has been substantially completed using Remedy PBC, then the agency may choose to not use BidBuy for that procurement. However, the agency shall enter the executed contract into BidBuy. Please consult with the State Purchasing Officer (SPO) if there is a question whether a procurement is substantially complete.
